
XUSH KELDING QALBIMGA, MOHI RAMAZON!

Qishning qoq chillasin oqligini ber,
Shabnam tarovatin ber menga, Alloh.
Saratoning avji kamolotini,
Xazon halovatin ber menga, Alloh.
Yaldo kechasining sabrini bergin,
Kunlarning avvalin xurramligin ber.
Oftobing avjlangan kungi xush nasim,
Tiyramoh qushlarin birdamligin ber.
Hikmating charxida aylangan kunlar
Sobir qullaringni etmishdir so'zon.
Assalomu alaykum, Laylatul qadr,
Xush kelding qalbimga, Mohi Ramazon!
