O'zbekiston fuqarolari, shuningdek, mamlakatimizda yashab turgan boshqa shaxslar ham madhiyamizni hurmat qilishi shartligi alohida ta'kidlangan.

The law establishes that our anthem is a symbol of state sovereignty, and treating it with great respect is a patriotic duty for every citizen. It is also specifically emphasized that citizens of Uzbekistan, as well as other individuals residing in the country, are required to show respect for the national anthem.
